

§ 564.55

military personnel or civilian employees of the National Guard or Air National Guard in the scope of employment, and claims arising under a contract, executed incident to camps of instruction, even though legally enforceable under the express terms of the contract and no other, are payable under §§ 564.51 to 564.58.

§ 564.55 Claims not payable.

(a) *Contributory negligence.* Negligence or wrongful act of the claimant or of his agent or employee, a proximate cause of the accident or incident, bars a claim. The law of the place where the accident or incident occurred will be followed in determining whether contributory negligence is present but the doctrine of comparative negligence will not be applied.

(b) *Personal injury.* Claims for personal injury are not cognizable under the act of §§ 564.51 to 564.58.

(c) *Use and occupancy.* Claims for use and occupancy, payment of which is governed by the terms of a lease or contract, are not cognizable under §§ 564.51 to 564.58.

§ 564.56 Action by claimant.

(a) *Who may present a claim.* A claim for damage to or loss of private property may be presented by the owner, or his agent or legal representative. The word "owner", as so used, includes bailees, lessees, mortgagors, conditional vendors, and subrogees, but does not include mortgagees, conditional vendors, and others having title for purposes of security only. If filed by an agent or legal representative, the claim should be filed in the name of the owner, signed by such agent or legal representative, showing the title or capacity of the person signing, and be accompanied by evidence of the appointment of such person as agent, executor, administrator, guardian, or other fiduciary. If filed by a corporation the claim should show the title or capacity of the officer signing it and be accompanied by evidence of his authority to act. In case of the death of the proper claimant, if it appears that no legal representative has been or will be appointed, the claim may be presented by any person who, by reason of the family relationship, has in fact in-

curred the expense for which the claim is made.

(b) *Form of claim.* A claim shall be submitted in the form of a statement signed by the claimant, setting forth his address, and stating briefly all the facts and circumstances relating to the damage for which compensation is claimed, including a description of the property, evidence of its value, the nature and extent of the damage, the date and place such damage was incurred, the agency by which it was caused, if known, and the amount. Standard Form 95 (Claim for Damage or Injury), appropriately modified by deleting references to "injury" and "personal injury," may be used for this purpose. The claim and all papers accompanying it which are signed by the claimant should bear like signatures.

(c) *Time within which claim must be presented.* A claim cognizable under §§ 564.51 to 564.58 must be submitted within two years of the date of occurrence of the accident or incident.

(d) *Place of filing.* A claim cognizable under §§ 564.51 to 564.58 must be presented in writing to the adjutant general, or his duly authorized representative, of the State, Territory, Commonwealth, or District of Columbia, having jurisdiction over the personnel or unit involved in the accident or incident out of which the claim arose, or to the office of the Chief, National Guard Bureau, The Pentagon, Washington, DC 20310.

(e) *Evidence to be submitted by claimant—(1) General.* A claim for damage to or loss of private property must be specific and substantiated by evidence of the damage or loss. A mere statement that such property was damaged or lost and that a certain amount is a fair compensation therefor is not sufficient to support a claim.

(2) *Motor vehicles, buildings, fences, and other structures.* The claimant must submit, if repairs or replacement has been effected, itemized bills therefor, signed and certified as just and correct by the repairman or suppliers, together with evidence of payment thereof, if made; if repairs or replacement has not been effected, an estimate of the cost thereof signed by a person competent to effect such repairs or replacement.
